The copy filmed here has been reproduced thanks to the generosity of:

Library of Congress
Photoduplication Service

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

PREFACE.

THE plan of Picture Puzzles is ideal; many of the great golden truths—the cornerstones of Christianity—from both the Old and New Testaments, are put in beautiful pictures, hence the eye assists the mind to indelibly impress them upon the heart. Every book that will help to impress upon the memories of the young the truths of the best book, ought to be prized by all; and we believe that turning over the pages of this volume will lead many of the youth and middle age to treasure up in their hearts many a precious Bible text.

The young of our day know less about the Bible than did their forefathers. Many, even graduates from our high schools and academies, are unable to say whether Jude is found in the Old or New Testament. These striking passages and beautiful parables, put in the fascinating garb of artistic picture puzzles, will constrain the youth to solve them, and hence he must consult the Bible and unconsciously become familiar with many beautiful passages and at the same time learn where to find any book of the Bible.

This little book, it is hoped, will stimulate our young friends to read and love the best of all books—the Bible. The best children in the world have been those who have loved this book more than any other; and some of the best men and women who have ever lived were those who, when they were quite young and not able to speak plainly, used to talk about it by day, and think, and even dream, of it by night. Little children who can read, know how joyful a thing

it is when they are at school, to receive a kind letter, all full of love from home. Now, the Bible is a dear, kind letter which God has written to His children, telling them all about their home, about Himself, and about the sweet peace that is in store for them when their schooldays on earth are over, and they have gone to their eternal home, never to leave it again. Ought not the Bible, then, to be very dear to all young hearts, because it was written to make them bright, and glad, and good?

In the hope that, by God's blessing, PICTURE PUZZLES will stimulate young and old to "search the Scripture," and that it will find its way into many a home where the Sacred Volume is forgotten and be the means of creating a great desire to know the WORD, this little volume is sent forth on its mission.
